- **3 entry forms: Entry, payment and liability forms must be completely filled out and accompanied by a \$20 fee on or before August 31, 2009.** (A designated adult must be the primary contact person for each team with children under the age of 16.) All contestants, including adults, must fill out the liability release form.
- **Prizes:** Prizes are awarded in the following categories: **Creativity** (originality, artistry and/or showmanship); **Greenness** (best use of recycled and/or natural materials); **Speed** (engineering the fastest coaster car). All cars will be automatically entered in all three categories.
- **Judging:** The fastest car will be determined by a timer. The other categories will be judged by a team of independent judges. All cars must cross the finish line.
- **Competition brackets:** Contestants and teams enter in one of the following 4 brackets: **ages 10-12; ages 13-15; age 16-adult** or **Family**. (Age is determined as of September 20, 2009.)
- **Team Specifications:** For all the above brackets (other than Family) there is a maximum of two to a team: a driver and a runner. (A teammate responsible for giving the car a running start is recommended.) The runner has the option of jumping on as passenger. Teammates should fall within the same age bracket. If not, they will be judged by the age the eldest. Entering as Family is a good option for younger children who would need to participate with a parent. **An adult must drive cars containing riders under 10 years old.**
- **Car and driver rules and specifications:** Contestants must build their own coaster car (no powered cars). Cars must be no larger than 3’ wide and 9’ long and must have a functioning steering and braking system. Use of the following will lead to disqualification: sharp, flammable or dangerous parts; words or images deemed inappropriate for a family event; poor sportsmanship on the part of the contestants and/or their parents. All drivers (or riders) must wear a helmet and protective eyewear. Contestants competing in the 10-12 and 13-15 age brackets are bound by their honor that they conceived of and built their own cars with only a little help and guidance from an adult.
- **Space is limited, so enter NOW!**
